

Short Course:

Constant Volume Combustion

Prof. C.O. Paschereit, The Chair of Fluid Dynamics, and the Einstein Foundation Berlin are proud to announce a public lecture series presented by

Dr. Ephraim Gutmark

Einstein Visiting Fellow

Distinguished Professor and Ohio Eminent Scholar

Professor of Aerospace Engineering & Engineering Mechanics

University of Cincinnati

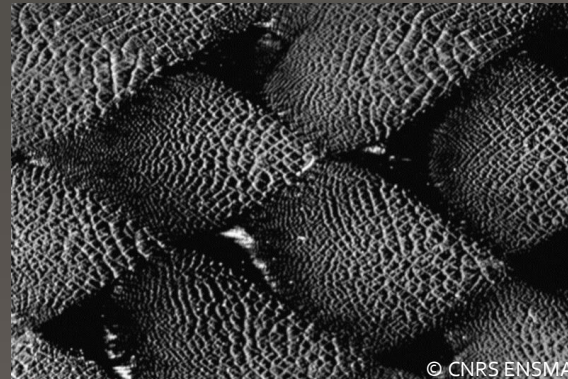

An Introduction to Pulse Jets

Monday, December 11th

4 – 6 pm

MB 13

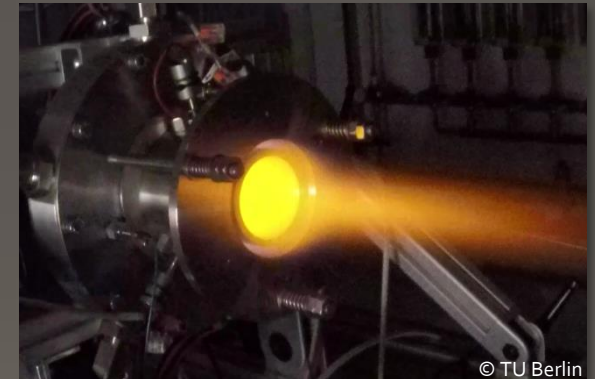

Detonation Theory

Wednesday, December 13th

4 – 6 pm

MB 13

Pressure Gain Combustion

Friday, December 15th

4 – 6 pm

MB 13
